EDUCATION

B.Sc. Environmental Chemistry

King Mongkut's Institute of Technology
Ladkrabang

2017–2021

SKILLS

- Testing & QA: Manual Testing,
- Test Data Preparation, Troubleshooting, Reporting
- VBA, AppSheet, , SQL, Github, Vs code
- Excel (Advanced)
- Problem-Solving, Attention to Detail, Documentation, Teamwork
- Digital Marketing

LANGUAGE

- Thai (Native)
- English (Intermediate)
- Korea (Read&Write)

ABOUT ME

Former chemist with over 3 years of experience in testing, analysis, and quality control in a laboratory environment. Proficient in designing test methods, preparing test data, and validating results to meet standards. Currently transitioning into Software Testing / QA, leveraging skills in quality assurance, problem-solving, and documentation to ensure software stability and performance.

WORK EXPERIENCE

Chemist | SGS Laboratory, Bangkok

Oct 2021 – Present

Arowwai Industries

- Collaborated with multiple departments (management, testing teams, clients) to gather requirements and improve processes.
- Designed and executed testing methods in compliance with standards.
- Validated large datasets and identified errors to ensure accuracy.
- Performed system testing and debugging on an in-house data management system developed with VBA.
- Experimented with multiple data scenarios to detect and fix errors.
- Verified and confirmed test results with end-users before reporting.
- Managed chemical inventory using AppSheet for systematic tracking of stock-in and stock-out records.
- Developed a workload tracking system for the department to analyze workload and optimize resource allocation.
